DISCLAIMER INFORMATION

Copyright © 2012 Franklin Templeton Investments. All rights reserved.

Performance details provided are in GBP, include the reinvested dividends net of basic rate UK tax and are net of management fees. Sales charges and other commissions, other taxes and relevant costs to be paid by an investor are not included in the calculations. The price of shares in TEMIT and income from them can go down as well as up and you may not get back the full amount that you invested. **Past performance is not an indicator nor a guarantee of future performance.** Currency fluctuations will affect the value of overseas investments. When investing in a fund denominated in a currency other than sterling, your performance may also be affected by currency fluctuations. In emerging markets, the risks can be greater than in developed markets.

This document does not constitute or form part of an offer for shares or an invitation to apply for shares. An investment in the TIP savings scheme entails risks which are described in the current Key Features document. Performance figures are not based on audited financial statements and, unless indicated otherwise, assume reinvestment of interest and dividends. Data from third party sources may have been used in its preparation and Franklin Templeton Investments has not independently verified, validated or audited such data.

A copy of the latest TIP Key Features, the annual report and semi-annual report, if published thereafter can be found, on our website: www.franklintempleton.co.uk or can be obtained, free of charge, from the address below.
