

How To Read Your Remittance Advice

Your Remittance Advice provides details on payments that are being made to your account.

Here's how to read each section:

- 1 Your local Servicing Office.
- 2 Sub-fund registration details (Franklin Templeton subfund number, the subfund name, share class & ISIN).
- 3 The date of the sell deal.
- 4 The Deal Reference Number of the sell you have instructed.
- 5 The redemption amount in subfund currency.
- 6 The Amount paid in your preferred client currency. Only sales with the same payment currency and the same wire details will be added together and paid in a bulk payment.
- 7 Section used for FTI communication containing important information concerning your holdings.
